**CARDI
LEADERSHIP
PROGRAMME
IN AGEING
RESEARCH
CALL 3 (2014/2015)**

1 AIM

CARDI is seeking top quality post-doctoral researchers for a Fellowship programme designed to develop leaders in ageing research. We will fund up to two CARDI Fellows and up to two Beeson-sponsored CARDI Fellows.

2 SCOPE

CARDI Fellows will carry out research relating to healthy ageing in any discipline. Beeson-sponsored CARDI Fellows will carry out health/medical research on ageing. All Fellows will participate in training and development activities to develop their skills, knowledge and confidence as ageing research leaders.

3 BENEFITS

CARDI will pay the full salaries of up to four Fellows for three years full-time and give allowances of up to €63,000/£50,000 for items such as research costs, consumables, attendance at conferences and work in other countries. In the case of clinical Fellows, CARDI will pay 80% of salaries for the equivalent of 4 days per week.

In addition Fellows will have free places at CARDI training programmes, seminars and conferences to develop their ageing research leadership skills. The host Higher Education Institution (HEI) will offer training in the specific research area proposed and appoint a mentor to the Fellow.

4 ELIGIBILITY

The programme is open to any EU citizen who has 2-7 years of post-doctoral research experience or part-time equivalent. Candidates must be nominated by an HEI in Ireland, north or south. Tenured staff are not eligible.

Successful applicants will be required to begin their Fellowship by 1 August 2015 and to complete them in 2018.

5 CRITERIA

CARDI is seeking top quality researchers who can demonstrate the potential to become outstanding leaders in ageing research. The selection criteria cover leadership potential, research proposal, career development plan, and HEI and mentor.

6 APPLICATION

All documentation can be downloaded from www.cardi.ie. Completed application forms and supporting letters from the HEI must be submitted by 12.00 noon on Friday 30 January 2015.

7 REQUIREMENTS

Fellows will conduct high quality research, take part in training and development activities, and liaise with their mentors and other stakeholders.

8 FURTHER INFORMATION

Anyone interested in applying should first read the full Terms of Reference¹ at www.cardi.ie and discuss the application with the head of department at the HEI.

Please forward queries to leadership@cardi.ie

¹ In the event of varying interpretations, the Terms of Reference take precedence over this summary document
