

One Voice

shaping our ageing society

This one day conference will provide an overview of the policies and practices affecting older people today and will explore the changes required to support our ageing population in the future. Aimed at those working for and with older people, in policy and service, you will hear from expert speakers, participate in discussion seminars and explore a range of issues in detail.

Monday 28 September, Belfast Waterfront

To register interest in attending and to receive more information please email Michelle Young on michelle.young@ageconcernhelptheagedni.org
